

The American Statistical Association (ASA) New Jersey Chapter and Bayer Statistics and Data Insights are proud to announce the 10th ANNUAL WORKSHOP

The topic this year is: Trends and Innovations in Clinical Statistics and Beyond: Trial Monitoring and Decision Making

When: Friday October 6, 2023

Where: Bayer Pharmaceuticals, 100 Bayer Boulevard, Whippany NJ 07981

The event is free of charge. Onsite parking is available. If you plan on attending, you must RSVP to Nancy O'Donnell (email: nancy.odonnell@bayer.com) by **September 8**. Please note that the workshop is limited to 100 attendees due to the conference room capacity. We encourage early registration since once capacity is reached, registration will be closed.

Organizers are soliciting interested participants to present posters at this workshop. The poster topic is preferred but NOT limited to the workshop theme. Posters previously presented elsewhere are welcome as well. The poster session will be limited to 10 posters and will be held from 12:00 PM to 12:45 PM. If you are interested in submitting a poster for consideration, please send your poster title and abstract to Vanja Vljajnic (email: vanja.vljajnic@bayer.com) by **September 22, 2022**. You will be notified of whether your poster has been accepted shortly thereafter.
